Look for the Recognized Component Marking on the product

Only those components, which actually bear the Marking, should be considered as being covered under the Recognition Program. The UL Listing or Classification Mark is not authorized for use on or in connection with Recognized Components.

The UL Recognized Mark for Canada includes: the UL Mark for Canada:  with the word "Recognized"; a control number (may be alphanumeric) assigned by UL; and the product category name (product identifier in English, French, or English/French) as indicated in the appropriate UL Directory.
